Priority

It is noted that applicant has not claim for foreign priority in oath or declaration. Applicant also has not provided certified copy of any foreign application as required by 35 U.S.C. 119(b).

Reasons For Allowance

Claims 1-32 are allowed. Claim 1 is allowable since the prior art of record does not teach the claimed flat fluorescent lamp comprising an exhaust channel formed independently from serpentine discharge channels and connected to the multiple discharge channels in combination with other features of the claim. Claims 2-32 are allowable since they depend on allowed independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
